Dear Valued Business Partner,

Rack Rates: November 2023 to October 2024

It is our pleasure to attach for your information our rack rates for the period 1st November 2023 to 31st October 2024.

Although increases were unavoidable given the rate freezes we adopted as a result of the COVID-19 pandemic, we have only considered moderate levels of inflation as a basis for adjustment. We draw your attention to the below changes in terms & conditions for certain rates and or properties:

- Mile 108 Private Ablution children rates - 0-5 years stay fee and 6-12 years pay 50%
- Popa Falls River Chalet – Chalet name has been changed to **Bush chalet**

All other terms and conditions for rack rates remain as stated on the attached rack rate sheet.

We wish to thank you for your valued business.

Yours sincerely,

Epson Kasuto (Mr)
