INFORMATION: MILES AND JAKKALSPUTZ

- a) There are 5 Fisherman Chalets at Mile 72 and 108 respectively. These are one bedroom units with a toilet, shower and open plan kitchen area. The rooms accommodate 2 people maximum and is equipped with two beds, but no linen/bedding. Clients need to provide their own linen/bedding.
- b) Additional showers are available at the reception area at minimum cost per shower; Water and showers are not included in the campsite fees, this will cost N\$10.00 per shower.
- c) Water is available at the chalet, but it is advisable to buy water at the retail store for consumption.
- d) No power-points available at the campsites.
- e) The campsite takes a maximum eight (8) persons on each site.
- f) Solar panels are installed at the chalets. Those carries the lights and allows for small amenities such as a charger, kettle, etc. to be connected. It can however, not carry bigger amenities such as a fridge etc. A generator is advisable.
- g) Water (for cleaning etc.) will be sold at N\$ 1.00 per litre at the kiosk, clients/visitors usually buy in 20 Litre cans. Clients/visitors have to supply their own containers.
- h) The kiosk will sell basic convenience items such as wood, ice, bait, cool drinks, and a variety of alcoholic beverages.
- i) The Miles offer limited leisure facilities such as fishing, sun-bathing etc. There are tourist attractions in the surrounding areas such as Seal watching at Cape Cross or visiting the Dead Sea and the dunes.
